Re: 2010 member online sign up process

CC: Club Delegates and Treasurers

As a follow-up to the information that was provided to you regarding the online member renewal option for 2010, enclosed are a list of the procedures and an application form.

At the request of several of our clubs, we have added the option of allowing a club administrator to sign up those members that do not have access to the Internet. Please understand that this is an accommodation that we are making to the clubs for a limited number of members and is not intended for a club to renew membership dues for ALL its members.

If your club would like to take advantage of this opportunity, attached is an application form to fill out and return to the AGA. A copy of this information has also been sent to your club delegate and treasurer. We are asking that each club respond only one time so if the information should go to another representative of your club please pass it on.

If this has been sent to the wrong person it is possible that we do not have updated officer information for your club. If that is the case please send that information to the address below or aga1923@azgolf.org.

The application is also available online at:
<http://www.azgolf.org/handicapping/chairmen.asp> (you will need to log in using your EZLinks administrator username and password)

If your club is electing the \$35 option there is no need to fill out the form.

For more information, please contact the AGA office.
